

Resolution on authorization for strategic issues of shares, warrants or convertibles (Item 15)

The board of directors proposes that the general meeting of shareholders resolves to authorize the board of directors for the period up to the next annual meeting of shareholders to resolve, whether on one or several occasions, to issue new shares, warrants and/or convertible instruments.

The board of directors shall be authorized to adopt decisions on issues of shares, warrants and/or convertible instruments with deviation from the shareholders' pre-emption rights and/or an issue in kind or an issue by way of set-off or otherwise on such terms and conditions as referred to in the Companies Act (sw: aktiebolagslagen).

Issues in accordance with this authorization shall be made on market terms. The board of directors may decide on the terms and conditions for issues pursuant to this authorization and who shall be entitled to subscribe for the shares, warrants and/or convertible instruments. If the board finds it appropriate to facilitate the delivery of shares in connection with a new share issue as stated above, this can also be done at a subscription price that corresponds to the share's quota value. The reason why the board is authorized to decide on issues with deviation from shareholders' pre-emption rights and/or an issue in kind or an issue by way of set-off or otherwise on such terms and conditions as referred to in the Companies Act (sw: aktiebolagslagen) is that HANZA shall be able to obtain financing and to carry out strategically motivated collaborations or company acquisitions. The authorization may be used to increase the HANZA's share capital by a maximum of SEK 435,000, which corresponds to approximately 9.96 percent of the current share capital.

It is proposed that the CEO be authorized to make the minor adjustments in this decision that may be necessary in connection with registration with the Swedish Companies Registration Office.

A resolution in accordance with this proposal is valid only if supported by shareholders representing at least two-thirds of both the votes cast and the shares represented at the Annual General Meeting.
